AWAY TEAM HISTORY

WHITE ENSIGN FC

The club was formed in 1951 and is named after the British naval ensign of the same name, which is incorporated into the club's badge. They played in the Southend Borough Combination until joining Division Two of the Essex Intermediate League in 2002, going on to win the division at the first attempt, earning promotion to Division One. The season also saw them win the Capital Counties Feeder League Trophy and the league's Senior Cup. They were Division One champions the following season, as well as retaining the Senior Cup and winning the Senior Challenge Cup. In 2004–05 the club retained the league title and Senior Challenge Cup. The league was renamed the Essex Olympian League in 2005.

White Ensign won the Capital Counties Feeder League Trophy for a second time in 2005–06. The following season they were Division One champions for a third time, as well as retaining the Capital Counties Feeder Trophy. Division One was then renamed the Premier Division, and the club retained the league title in 2007–08, also winning the Essex Premier Cup. The following season saw them win the Senior Challenge Cup for a third time. However, this marked the end of their period of success and the club finished second-from-bottom of the Premier Division in 2013–14, resulting in relegation to Division One. They were Division One champions the following season and were promoted straight back to the Premier Division. At the end of the 2017–18 season the club moved up to the newly created Division One South of the Eastern Counties League.

Since being elected into the Eastern Counties League Division 1 South, the club has spread its wings from just two teams to SIX. They now have an Under 9yrs, Under 10yrs, Under 14yrs, plus a Sunday XI. All part of building for the future.

The club wish to thank Great Wakering Rovers FC for agreeing to let the club ground share. Without this offer the club could well have been heading back down to Step 7 in the Essex Olympian league as last seasons ground at the Basildon Sporting Village was deemed unsuitable by the FA.

BRIMSDOWN FC:

After Brimsdown Rover merged with Enfield 1893 in 2010, there was no representative Non-League football for the Brimsdown area.

In 2013, Lee Okugbeni, with help from Osbourne Powell and Peter Omondi, formed BRIMSDOWN FC to compete in the MOLTEN SPARTAN SOUTH MIDLANDS LEAGUE using the secondary pitch on The Downs as out home pitch, after successfully running an u18s the year before.

February 2018 New management of Ahmet Toygun and Yilmaz Celik decided to take over the club, both have been in football over ten years. Ahmet Toygun has been managing and coaching his own football academy called North London Football Academy. May 2020, Ahmet Toygun has taken full control and only owner of Brimsdown FC. Ahmet has restarted the academy again and academy consist of 6 youth teams. Club have 8 teams from U6 to First Team.

Ahmet 5 year plan is to bring Brimsdown Fc back to Enfield and own their own football ground with training facilities!
